

It has never been simpler for your Squash Club to have a **powerful, professional and easy-to-maintain website** – all from **just £99** a year – from **SquashNet**, the fully integrated online platform for Squash Clubs.

Select from specific Squash related components for your Club

Our websites utilise easy-to-use drag & drop elements, including news and photos; blogs and forums; email newsletters and much, much more – [more info](#) »

However, what really sets **SquashNet** apart from other websites is the selection of Squash specific components that makes the site really work for your Club and your Members. These include:

- Online Court Bookings
- Online League & Tournament Management
- Membership Database

What Clubs think about SquashNet

SquashNet is already being used by a number of Squash Clubs around the UK, including Winchester, Hunts County and Moreton Hall, and has been well-received by them. Here's what the manager at Winchester had to say:

“Since changing our website, we have found it so much easier to update news and information. What used to be a laborious chore is now a quick and effective process that keeps our membership up to date with the latest news at the club. The combined use of newsletters and messages has definitely improved member communication and the ease of use means that we now have a website that is interesting and relevant with all the latest news and pictures readily accessible for our members.”

Certainly **England Squash & Racketball** sees the benefits for Clubs and Members of **SquashNet**. Operations Director Jim Lord said:

“SquashNet provides the perfect one-stop shop for Clubs to better serve their members and help develop squash in their communities. It certainly ties in well with England Squash & Racketball’s aim to help our affiliated clubs by making available the tools they need to be successful.”
